Dear Room 105 Families,

We are done with half of the MSTEP! The students have done an amazing job on the assessment. All students have taken the test seriously and used the test taking strategies we practiced in class. I can safely say that the test is significantly shorter than last year. Both Math and Reading consisted of only one part and students were able to complete the test in the time scheduled. Next week we will take the Social Studies, Math Performance Task, and Writing Performance Task. Email me with any questions/concerns.

Here is what we did this week:

- Social Studies – Rev War Battles
- Science– Eggs
- Reading – Informational Reading
- Writing –Informational Writing
- Math – Mod 4
- Word Study – List 18 Assigned
