May 16, 2014

## Dear Room 105 Families,

This week we began our last two Language Arts units, Poetry and Research Writing. The students will be 🗿 writing and reading a variety of poems. In science, we are coming close to the end of our last unit. There will be a final assessment on the content relating to the Sun, Moon, and earth. This week I hope to finish up the last portion of student testing for the school year. I will be sharing those results with you shortly thereafter. Please watch for the study materials to come home. Please let me know if you have any questions or concerns.

- Social Studies Southwest Region
- Science–Sun, Moon, Earth
- Reading Poetry
- Writing Research Project
- Math Decimal Fractions

- Social Studies Southeast Region (Mississippi River)
- Science-SUN
- Reading Poetry
- Writing Research Project
- Math Decimal Fractions

## Mav 19 - Mav 23
