Dear Room 105 Families,

The students are making steady progress in all academic areas. We will be completing Module 4 and publishing our non-fiction writing next week. I have seen a lot of growth in both of these subjects. One note about behavior, Spring Fever is in full effect in Room 105. Students have been struggling with following directions the first time they are given. When students miss directions, we lose forward academic progress. **Please chat with your student about the value of finishing the school year strong. We will be starting iReady Testing on May 16<sup>th</sup>.**

Email me with any questions/concerns.
