Dear Room 105 Families,

Please be aware that this weekend's homework is to type as much of their informational book as possible. Be sure that your student shares the GOOGLED OC with me. I believe this is the best writing they have done all year! Today we had a detective come in and speak to the students about bullying. Please discuss some of the ideas mentioned in today's talk. **As the days become warmer it becomes more and more difficult for students to maintain focus during our lesson and independent work time. Please chat with your student about the value of finishing the school year strong.** Please let me know if you have any questions or concerns.

Here is what we did this week:

- Social Studies – Skits
- Science–Fossils – Sun, Moon, Earth
- Reading – Non Fiction Reading Finish
- Writing – Non Fiction Writing Finish
- Math – Decimal Fractions

Here is what we will be doing next week:

- Social Studies – Southeast Region
- Science–Sun, **Moon**, Earth
- Reading – Poetry
- Writing – Research Project
- Math – Decimal Fractions
