

September 19, 2014

Dear Room 105 Families,

. This week we have had several conversations about math and homework. My policy with math homework and all homework is as follows; homework is intended to be independent practice for students. It is not apart of their report card grades. If your student is struggling with any homework they should look at any examples, use online resources (on website), and/or circle the problem and write a question and plan to see me the next morning. We typically address concepts from the previous day during the new lesson. **HOMEWORK SHOULD COME BACK TO SCHOOL EVERY DAY.** Done or not done. Please let me know if you have any questions.

Here is what we did this week:

- Social Studies – First Nations
- Science– Begin Forces Unit
- Reading – Making Reading Goals
- Writing – Collecting Narrative Ideas
- Math – Unit 1 Place Value

MATH WEBSITES

<https://www.khanacademy.org/math/cc-fifth-grade-math>

<http://www.mathtv.com/#> (search under basic mathematics)

<http://www.mathplayground.com/mathvideos.html>

Here is what we will be doing next week:

- Social Studies – First Nations
- Science– Newton's 2nd law
- Reading – Begin Wonder!
- Writing – Finish Drafting
- Math – Unit 1 Place Value

September 22-26
