

September 26, 2014

Dear Room 105 Families,

. Early next week the first math test will be coming home. The grades are pretty good overall. The main thing we have identified as a class is that students need to read the questions carefully and answer them completely. Secondly, there will be a slight change to our schedule. Mrs. Seago and I have decided to change our approach to Science and Social Studies. Instead of doing both subject at the same time, we will be focusing on them one at a time. We believe that this will allow for greater mastery of the material presented in class and prepare them for the Spring MEAP (which will assess Social Studies). Therefore, we will no longer be switching for Social Studies and Science. Room 105 students will receive both of those subjects from me. Please let me know if you have any questions.

Here is what we did this week:

- Social Studies – First Nations
- Science– Newton's 2<sup>nd</sup> law
- Reading – Begin Wonder!
- Writing – Finish Drafting
- Math – Unit 1 Place Value

Here is what we will be doing next week:

- Social Studies – Finish First Nations
- Reading – Summarizing and Inferring
- Writing – Enhancing Drafting
- Math – Unit 1 Place Value

## September 29-October 3

Monday 29	Tuesday 30	Wednesday 1	Thursday 2	Friday 3
<ul style="list-style-type: none"><li>• Tech</li><li>• Band/Strings</li></ul>	<ul style="list-style-type: none"><li>• PE</li><li>• Math Quiz</li></ul>	<ul style="list-style-type: none"><li>• Art</li><li>• Band/Strings</li></ul>	<ul style="list-style-type: none"><li>• Spanish</li><li>• Band/Strings</li></ul>	<ul style="list-style-type: none"><li>• PE</li><li>• FUN RUN!</li></ul> 

Happy Weekend,

Mr.Provost
