Dear Room 105 Families,

The wacky weather is upon us once again. Thank you Michigan! Be sure that you student dresses appropriately for the temperature and weather conditions. The students will still be on safety post when it rains. We are heading towards the completion of our Personal Narrative unit and 1st Module in Eureka Math. The students have shown a great deal of growth thus far. Let's help them keep it up by setting high expectations for the quality of work and performance on assessments. It's going to be a great year! Please let me know if you have any questions.
